## SLT Webinars and Briefings

The Partnership provides regular briefings and updates for Head-teacher's and senior leadership teams in schools throughout the year. We are committed to ensuring senior leaders have access to our partnership advisors.

The first webinar of the academic year will be for the productive and efficient running of parental consultations. Date to be advised.

I feel more confident to share best practice with our staff and ensure that we deliver a quality RSHE curriculum

This will be an important part of how we work going forwards in the development of our Young Women and Girls Services including Schools Engagement work. I will ensure this training and knowledge is fed back to the team and embedded in our practice. Thank you to the wonderful leaders for this training

Cost:

Price for attending will depend on the length of a briefing for example:  
30 mins = £30; 1 hr = £60.

# PSHE/RSHE Network meetings

PSHE network meetings are run to give an opportunity to bring together PSHE/RSHE leaders and teachers within primary schools to meet, network and work collaboratively on projects, helping in middle manager responsibilities.

Network meetings will:

- Update subject leaders on Local and National information;
- Help Subject Leaders understand their role and responsibilities within school;
- Share best practice models and examples in PSHE/RSHE, and
- Work with outside agencies to provide short CPD session supporting schools in delivering high quality PSHE/RSHE.

## Internal & external compliancy reviews of RSHE

The PSHE Partnership (previously the RSHE Partnership) has spent since 2019 preparing schools to effectively deliver RSHE as stipulated by the DfE Statutory Guidance from the DfE. Most schools are doing an amazing job at teaching this new curriculum, but may still feel that they want to ensure that their policy, curriculum content, parent engagement and the confidence and ability of staff to teach RSHE are compliant with the guidance. To support schools in this The Partnership are able to supply schools with three levels of review. Documents have been devised, by way of:

1. A questionnaire for pupils
2. A questionnaire for the RSHE Lead
3. A compliance matrix (which outlines curriculum areas that should be taught and how teaching should be carried out), which outlines the 2019 RSHE statutory curriculum and also gives guidance on how the content should be taught.

There are three levels of review that can be carried out in schools.

### **1. Basic Internal review**

Providing documents for a school to carry out their own compliance review.

These will be licensed to individual schools and should not be shared, even with in MATS.

**Cost: £150**

## **2. Supported internal review**

Documents provided and then worked through with the Advisor to ensure compliance with the statutory and additional guidance. Support and advice given where needed.

**Cost: £350 for half day  
£650 whole day**

Any additional time needed will be charged at £250 a half day

## **3. Independent external review**

This will include the above, but also a website, policy and curriculum review, pupil consultations, book look and staff discussion. A written report can also be commissioned.

**Cost: Bespoke prices arranged depending on the size of the school and the amount of support needed**

# Dealing with Controversial Issues

How do you deal with conflict and contested issues in the classroom around RSHE?

This one-day course will cover how, as schools and teachers, we can ensure any controversial issues such as trans identities, puberty, religion, LGBT+, diverse identities and language are well handled in the classroom.

Dr Jo Sell and Claire Clinton will lead this day to support you thinking through how we handle controversial issues in our classrooms.

## Date for Training in 2023/24

Wednesday 24th April 2024

Time: 9:15am to 4:15pm

Venue: Elmhurst Primary School, Upton Park Road,  
London E7 8JY

I always find the updates very helpful - to talk about the scheme of work we are using and to hear how other schools are using it/adapting it

Staff

Thank you so much for such informative RSHE training. It has helped to develop our knowledge and understanding about RSHE. It is wonderful to learn from the experiences others are having in their schools. I feel confident, encouraged and enriched to equip and train my school staff after attending RSHE training."

Staff

Cost:

£200 per attendee for (includes attendance and suite of materials)

## New to Leading P/RSHE

This training will provide practical support for those new to leading in PSHE in schools. From this training teachers will understand the work we have done over the last year, as well as understanding their role as a middle leader at their school.

### Dates for Training in 2023/24

Wednesday 27th September 2023

Wednesday 10th January 2024

Time: 4:00pm - 6:00pm

Venue: Ranelagh Primary School. Corporation Street,  
Stratford, E15 3DN

*Please note, these meetings can be accessed face to face or through zoom as a hybrid meeting. Recordings can be accessed after the session for all participants*

Cost:

£200 per attendee - price includes both sessions

# Whole School PSHE Training

Everyone in school is responsible for protecting the school ethos. P/RSHE supports your school ethos and the whole school community should be aware of their role in modelling quality relationships, adhering to the law and supporting the school in the delivery of high quality, evidence based and student sensitive P/RSHE.

Training for a whole school community is important for a unified approach to creating a safe, enabling, and enriching space for children and young people to thrive.

This training is for everyone involved in schools, site supervisors, management team, teachers, learning support staff, lunch time supervisors, kitchen staff and cleaners.

Our advisors will work with your school to devise bespoke training that supports your needs and developments

Cost:

60 - 90 minute session: £250

## SCITT Training

There is very little training for teachers concerning P/RSHE, but as most teachers will be required to teach the subject either as a form or class teacher, or in some cases, as a specialist, it is important that it is included in any initial teacher training.

This training will equip trainee teachers to:

- Understand the curriculum
- Identify the links between P/RSHE, school ethos, the health and wellbeing of pupils and other curriculum areas
- Know about the law, Ofsted framework, teachers terms and conditions and the RSHE guidance (DfE, 2019)
- Answer tricky questions, and handle difficult discussions with pupils or parents
- Become confident in their delivery of P/RSHE

Cost:  
2-3 hour session: £220

# Governor Training

Schools have found that an informed Governorship, that understands the importance of P/RSHE, knows their responsibilities concerning RSHE and the links RSHE has with the whole school ethos and pupils wellbeing, is a Governorship that can support the school and also provide positive links with parents.

The course can be bespoke to any setting, but is normally 2 hours long and encourages governors to:

- Recognise their responsibilities and the context in which the school is situated
- Appreciate the importance of P/RSHE for the wellbeing of pupils and be aware of the statutory guidance concerning RSHE (DfE, 2019)
- Understand the law concerning education, equality and safeguarding
- Know their role in the school, especially concerning the RSHE policy and the importance of parental consultations

## Parental Consultation and Updating of RSHE Policy

We can provide support in holding your parental consultation and updating your RE Policy to ensure your school remains compliant throughout.

Cost:

2-3 hour governor training session: £220

Parental consultation and policy updates: £100 per hour for advisor's time

## Advice Papers Available for Purchase
